OPERATIONAL TERMS

01. BOOKING & ACTION

To secure your shoot date, a 50% non-refundable retainer is required. This ensures the crew and gear are locked for your production. The remaining balance is due upon delivery of final assets. (Think of it as the ticket price for the premiere).

02. THE EDITING ROOM

We want you to love the final cut. That's why we include 3 rounds of revisions on all video edits. We ask that feedback be consolidated to keep the momentum going. Changes beyond round 3 are billed at our standard hourly rate.

03. LOCATIONS

We love a road trip, but our base rates cover locations within 25 miles of Largo, FL. Mileage beyond that is billed at standard rates. Flights? Hotels? Those are covered by production (you).

04. DISTRIBUTION RIGHTS

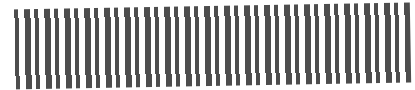

Once the final invoice is paid, the assets are yours. You get a perpetual, non-exclusive license to use them however you want. We just keep the right to show them off in our portfolio.
